Team,

Please review and send comments/recommendations to me and/or Ann prior to 8:30 AM tomorrow. This will allow time to incorporate all recommended changes prior to tomorrow's 10:30 am briefing with Carl

I've tried to limit narratives in this two page Executive Summary to the Stipulated Penalties issue.

The attached "Additional Details Page" is not part of the Executive Summary. However, it does provide information that might be needed tomorrow.

Bob

Subject: San Jacinto Fact Sheet

Hi Bob:

Thank you for putting the fact sheet in the appropriate format. I think, though, that some of the important facts are still getting lost even with the bullets. I suggest you circulate the revised fact sheet to the team for their comments.

I have an appointment this afternoon, but I will be here tomorrow morning.

Thanks.
